

# Community Grants ●●●

Grants of up to £12,000 are now available for voluntary and community organisations in Yorkshire and the Humber who provide learning opportunities that help unemployed people aged 18+ move closer towards a job or training.

Community Grants are targeted at the following priority groups:

- People with disabilities & health conditions
- Lone parents
- People aged 50 and over
- People from ethnic minorities

Community Grant activities could include:

- Initial help with basic skills
- Taster work experience (including voluntary work)
- Training advice and guidance
- Job search assistance
- Confidence building & personal development
- Debt counselling

# Community Grants ●●●

The application process has been simplified because we're especially keen to see small\* voluntary organisations applying for Community Grants.

\* 9 employees or less and an annual turnover of not more than £300,000

There are also funds available for capacity building within organisations

For more information and a Community Grants application form please contact your nearest funder:
